

Do you love people? Is being welcoming and hospitable something you love? Are you up for fun? Are you up for a challenge? Do you have a desire to see young people new to Melbourne welcomed into the Kew Baptist community?

The House has been used as a ministry of hospitality since it was first purchased by the Res in 2005. Those who live in the House commit to supporting the students at the Res through being a part of their lives. The House is to be a place where people from the Res and Church communities feel welcome.

The ways in which the House provides hospitality is largely up to the team who live there at any given time. Hosting dinners, parties and more informal get-togethers always works well. Other great initiatives in recent years have included setting up a gym and organising regular live music events. The possibilities are endless...well, almost!

To be considered for the House you will need to:

- Express a commitment to following Jesus
- Be an active part of KBC, or commit to doing so while part of the House
- See your time in the House as a ministry supporting the Res and Church communities
- Be flexible and open to having people drop around unexpectedly
- Be a team player – contributing to the ministry and being sensitive to others' needs
- Enjoy young people and having fun

The Church is considering running a Diploma in Christian Ministry and Theology and you would be most welcome to take part in this should you wish to do so.

As a tenant of the House, you are responsible for paying rent, electricity, gas etc. (the Church provides Internet).
